

# GLBG Bead Art Exhibit & Submission Guidelines

All Guild members  
are invited  
to display  
select pieces  
of beaded art

at the DeSalle Community Gallery  
of the Birmingham Bloomfield Art Center,

1516 Cranbrook Rd., Birmingham, MI 48009

July 24 - August 21, 2009

Opening Reception is July 24, 2009  
from 6 to 8 p.m.

We are looking to have not less than  
75 high quality pieces at the show.

This is a wonderful opportunity for members of our Guild to show their work to a wider audience and represent the art of beading at a curated gallery show.

All pieces are insured under the BBAC Gallery policy while on display.

Each artist is required to fill out a form describing each piece entered into the show and the value/sales price. (It is preferred that items are for sale, but this is not a requirement to participate in the show). Guild members may submit as many entries as desired with a separate form for each item.

The exhibit is designed to present beading as an artform to the public, and to showcase the great talent of our Guild members. The emphasis is on high quality, unique work that reflects the artist's creativity and skill.

Pieces for this exhibit **must be the artist's original work (from design to execution)**, preferably with a focus on 3-D/sculptural forms. 2-D bead art (think wall hangings, bead embroidery ... ), is also welcome. Beaded jewelry selected for this show will be limited to highly elaborate/dimensional work.
